the list of persons eligible for appointment as
Munsifs and for selection as Jurors in the
Village courts.

10 The points on which instructions are
solicited are :-

1. Whether only patels are eligible for
appointment as Village Munsifs or any person
residing in the village as contemplated in
Secⁿ 4 of the Regⁿ.

2. Whether only literate persons should
be selected as jurors.

11 The Dy. Comm^r of the Bangalore Dist.
wishes to know if rules under the Regulation
have been framed. The Rules ^{have been} framed by
the Chief Comm^r and are now before Govt.
for approval. The file on the subject (dno
1601913) was sub^d to the Secy on 28/11/13.

Sub^d for orders. The Regulation itself
Reg. - 116 is silent on the matter of the quali-
fication of a person to be appoint-
ed a Village Munsiff -

12
9.12.13 S^y does not specify that the
Patel should necessarily be the Village
Munsiff. Munsiff says that anyone
not resident in the village can be
so appointed nor does it take away

the right, & rules framed under the section, to restrict the appointment of Patels only. As Patels are persons of influence in the village and are generally liberal-minded seem to be desirable at first to restrict these appointments to these men alone. To appoint another kind perhaps militate against the smooth working of the Village Courts.

Under S 6 Subsection 5 the one of the village & karkhans in the name of the three members constituting the Bench and it would therefore be desirable to have only liberal persons to sit on the Bench so that the decrees may be signed by them. Here are then hearing the decrees & affixing their marks without the attestation there of & another responsible person would perhaps lead to complications. Vide S 46 which requires the members of the Bench to sign the decrees. I therefore submitted that

the Rgs may be informed that

- (1) Patels only to be eligible for the present and
- (2) that persons should be liberal.

not be too big for a village court. If, by

Courts can be established - rather ought to be - only in areas where
the tribunal is likely to be able to deal with cases. The
lists of liberal Pabls & juns received from the Dy Comrs
have been forwarded to the Chief Comr. to mark the no
suits up to Rs 20 filed from the villages. It is understood
that the lists have been sent to the District Judges and
they will have ~~to~~ eventually to go to the Munsifs for
inserting the information after elaborate check of
figures.

In the meanwhile, it does not seem expedient
to proceed in regard to the constitution of Courts in
the absence of the necessary information contained in
the lists. Nor is it desirable to deal with only
a few individual cases when the general question is
under consideration.

In the few lists contained in the file, the
numbers of suits have been noted but we have no information

FROM

Revenue Commissioner in Mysore.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments.

SIR,

With reference to your letter No. J 1204 dated

18th October 1913, regarding the establishment of Village

Courts in selected places in the State, I have the honour

to state that the Deputy Commissioner of the Bangalore Dis-

trict has at the request of the Sub Division Officer of

Closepet solicited instructions on two points in connection

with the preparation of the lists of persons eligible for

appointment as Munsiffs and for selection as Jurors in the

Village Courts. Firstly, it has been pointed out that

while the terms of Section 4, Regulation VII of 1913 are

wide enough to admit of any person residing in the village

being appointed as Village Munsiff, the concluding portion

of your letter referred to above seems to contemplate that

only the village Patel can be appointed as such. Secondly,

as regards persons to be selected as Jurors information is

(6)

is required as to whether they should be literate. I request you to be so kind as to obtain the early orders of Government in the matter.

2. Copies of the Deputy Commissioner's letter No. R.C. 368 dated 1st instant and of its enclosure are forwarded herewith for reference.

With reference to your official memorandum No. 5665-72 dated the 31st October 1913, regarding the submission of proposals about the establishment of village courts in selected places in this District, I have the honour to submit herewith copy of letter No. 91 dated the 31st November 1913, from the Sub Division Officer, Closepet, seeking instructions in the matter of selecting persons to serve as village munsiffs and jurors, and to request that as definite instructions in the matter would greatly facilitate the selection of suitable persons by the local officers, the same may be caused to be issued.

2. Further I beg to enquire if the rules under section 4 of the village courts Regulation have since been framed, and if so, to request copies of the same may be sent to this office for reference and distribution to all officers concerned.

3. Again it suggests itself to me that only a few courts may be established in the beginning, and their working carefully watched, and more may be established when experience is gained and if this view is accepted I shall submit after due consideration proposals for the same as soon as the reports from the Amildars through their Sub Division Officers, which are awaited, are received.

" C o p y "

For Revenue Commissioner.

Letter No. 91 dated 21st November 1913, from the Sub Division Officer, Closepet Division, to the Deputy Commissioner, Bangalore District.

With reference to your No. R 3131-22 dated 8th instant, calling for a list of villages or group of villages in which it is desirable to establish village courts in the Taluks and Sub Taluk of this Sub Division and of the particulars of persons to be appointed as Village Munsiffs and Jurors, I have the honour to state that I have sent a copy of your memo together with the Letter of Government with necessary instructions to the Amildars and the Deputy Amildar of the Sub Division to prepare a list of villages where village courts are necessary and two lists, one of persons eligible for village Munsiffs and the other for Jurors and send them early.

As I feel some doubt in connection with the selections of persons I request your instructions on the following points:-

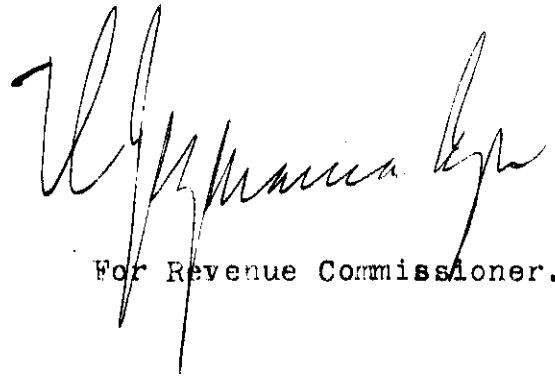

(1) The Regulation does not particularize as to who should be appointed as Village Munsiffs. Section 4 of the Regulation states that the Deputy Commissioner shall appoint them subject to such rules as the government may prescribe. As yet no rules seem to have been prescribed on the point, the terms of the section as it now stands are wide enough to apply to a village Patel or a Shanbhog as well as to any other persons residing in the village. But in the letter of the Secretary to the Revenue Commissioner, it seems that only the village patels are to be appointed as village Munsiffs to the exclusion of all the other residents of the village. Is it a necessary condition that the Patel should be a village Munsiff?

(2) As regards persons to be selected as Jurors to assist the village Munsiffs, no minimum qualification have been prescribed anywhere. They are required simply to sign the decrees passed by the Bench (Section 46). Mere fact they are required to sign the decrees does not necessarily imply that they should be

be literate persons as under section 3 Clause 37 of the General
Clauses Regulation " sign includes mark also with its gramma-
tical variations and cognate expressions". I request therefore,
to be informed whether persons otherwise qualified but are not
literate may be selected as Jurors.

After hearing from you on the above points, I shall issue
further instructions to the Amildars and Deputy Amildar of the
Sub Division if necessary.

With reference to your memo No. 5665-72 dated 31st October 1913 forwarding a copy of General and Revenue Secretary's letter No. J.1204/cts.110-13-1 dated 18th idem calling for proposals about the establishment of village courts in selected places, I have the honor to state that the Sub Division Officers having been consulted in the matter, proposals for 3 Taluks viz Mulbagal, Srinivasapur and Chintamani have been till now received and a list of villages in the above Taluks in which the establishment of village courts is suggested by the Amildars is enclosed. I may state in this connection that great discrimination being necessary in extending the provisions of the Regulation, and the people of rural parts being generally backward in education it will be sufficient if the Regulation be introduced for the present into a very few selected villages in each Taluk, containing a large number of literate and influential men. If Government agree with this view suitable villages will be selected for all the Taluks in the District and submitted to Government with names of persons qualified to be village Munsiffs and jurors.

Copies of the Regulation and the rules issued thereunder as noted in the margin may be kindly supplied to this office early

2. At present as the constitution of village courts is an experimental measure one or two places in each Taluka are selected for the purpose.
3. The proposals for the Jagalur taluk will be separately submitted as the Amildar has not yet sent a report on certain points.
4. If in course of time it is found in the case of village courts consisting of single villages that there is insufficient work for the court, the jurisdiction of the village courts can be extended by grouping a number of villages as in the proposed courts of Hosdurga Taluk.

Letter No. 589 dated 27th January 1914 from the Offg. Deputy
Commissioner Shimoga District to the Revenue Commissioner in
Mysore.

With reference to your docket No. 8468-75 dated 6th January 1914 calling for early⁴ submission of proposals for the establishment of Village Courts, I have the honor to state that the submission of the proposals relating to this District has been delayed owing to the report as regards the Taluks of the Shimoga Sub-Division not having been received. As no reply has yet been received from the Sub Division Officer of Shimoga, I have the honor now to submit the proposals in respect of the Thirthahalli Sagar, Sorab and Nagar Taluks.

2. The enclosed statement shows the names of villages, where it is proposed to establish village courts, the names of other adjoining villages, which it is proposed in some cases to add to the principal village, the names, qualifications and other particulars of persons to be appointed Village Munsiffs, and the names and particulars of persons selected as Jurors, from whom the parties may, if they desire it, select two persons to sit with the Munsiff as bench. It will be seen that it is now proposed to establish 27 village courts, viz., 6 in the Thirthahalli taluk, 1 in Sagar, 9 in Sorab, and 11 in Nagar. All the courts proposed for the Sagar and Sorab taluks are intended to exercise jurisdiction over certain adjoining villages also. In the case of the courts proposed at Kerehalli in the Sorab Taluk and at Thirthahalli, patels have not been selected as village munsiffs. The men actually proposed are capable, influential and otherwise fit to be appointed village munsiffs. The persons chosen as Jurors are reported to be men of standing and substance in their respective villages.

3. In regard to the success of this experiment, it is necessary to mention that in the mainad there are no chavadies where the courts can sit and no village servants through whom process can be served. A village often consists of one influential family

with its dependents. In a good many villages, the Patels are only officiators and not fit to be appointed village munsiffs. In these circumstances it is considered desirable to establish courts at present in only a few selected places. In all the places proposed some building (generally school houses) can be found for temporary occupation, as court houses; the munsiffs will generally be able to secure service of process through their dependents or others and in other respects also, conditions appear to be favourable for the establishment of village courts in these places.

4. Proposals in regard to the Shimoga, Chennagiri, Shikarpur, and Honnali Taluks and the Kumsi Sub Taluk will be submitted on receipt of a report from the Sub Division Officer, Shimoga.

2. Clear instructions have also been issued for the submission of proposals with full detail for the remaining Taluks. On receipt of the above, a further Communication will be made to Government.

3. As regards the Srinivasapur Taluk, the Amildar reports that instead of establishing Village Munsiff's Courts into so many as ten villages in the Taluk simultaneously, it would be better if a Court be established in one village, viz, Gownpalli, in the first instance and that after a trial there for a year or two, similar Courts may be established in other villages.

4. Gownpalli is a large village with a population of 625. The taluk is quite fit to be appointed as a village Munsiff and

There are men in the village who are
competent to be jurors. In concurring
with the Amildar, I may add that it
will be better to try the scheme in only 2
or 3 large villages of a Taluk at first,
so that the actual working of the Regulation
may be observed well. If the Government
agree with my view, the establishment
of a court in the above village may be
sanctioned and the fact notified in the

Dear Sir,

I have the honor to invite your kind
reference to the Regulation for the
establishment of Village Courts in Mysore
No VIII of 1913) which has been in force
since 1st January 1914.

2. According to Sec: 3(2) of the said
regulation two or more villages may
be grouped & a Village Court
established for them and the
power of appointment of Village
Munsiffs under Sec: 4 of the Regulation
is vested in the Deputy Commissioner.

3. The Jahgir is an alienated ⁴⁷area; but, the interests of the Jahgir, I may state, is identical with the rest of the Province for Civil & Criminal purposes.

4. I waited to see if any Communication would be received calling for proposals to Establish a Village Court for the Jahgir area & having had none and seeing that a village Court in this out of the way place is quite necessary in the interests of the litigant public who now have to go a long distance to the Civil Court at Chikmagalur even for petty claims with attendant worry, expense & inconvenience, I venture to suggest the matter for your kind consideration & request the favor of your obtaining sanction to the Establishment of a Village Court at Sringeri to have jurisdiction over

Over the whole Villages of the Jagir
which number only 23 & whose distance
from the furthest Village is not
more than 7 miles to Sringeri from
any one point.

5. If my proposal Commends
itself to you I would recommend
the Appointment of Mr. Hanuavalli
